

## **Come Join Us for a Day at the Capitol!**

Thursday, March 31<sup>st</sup> 2011

This is the biggest opportunity to make a difference for our legislative initiative this session. The momentum we're building is beginning to really shift attitudes about slot machines at the racetracks and Indian tribes, and we have come to a point where it is time to mobilize ourselves and show the members of the Legislature there are big numbers behind us. Texans, this is your call to action.

**Purpose:** To show our support in numbers on the steps of the Capitol as Texans from all over the state.

**When:** Thursday, March 31<sup>st</sup> 2011

### **Overview of the Day:**

- We will gather at 9:00 at the Stephen F. Austin Hotel and share a light breakfast, break into groups and get prepared for the day.
- We'll then head over to the South steps of the Capitol where we will hear from state and industry leaders on our issue. We will have horses and greyhounds meeting us on the steps!
- Next we'll break off into our smaller groups and head into the Capitol to meet with the members of the Legislature and their staff, wrapping up at approximately 4:30 that afternoon.

### **Some details about the day:**

- There will be a number of buses leaving from Grand Prairie, Houston and San Antonio for those people who would like to catch a ride to Austin. We promise to take you back home too!
- For those wishing to drive, we suggest parking in the state garage on 12<sup>th</sup> and San Jacinto.
- Please RSVP by Friday, March 25<sup>th</sup>. We need to make sure there's an accurate list of everyone coming.

**See y'all in Austin!**
