

November 16, 2007

Corpus Christi Greyhound Race Track has announced that it will cease live racing on December 31, 2007. At this time, greyhounds on the active list may not leave the kennel compound without special permission. All owners with active greyhounds should contact kennel owners to arrange for the movement of their greyhound at year's end.

Corpus is providing an adoption kennel in the kennel compound to care for and place any and all greyhounds ready for retirement. The adoption kennel will start taking in adoptees on Saturday, November 17, and will remain open until the end of January, 2008 or until all of the greyhounds are placed. Corpus personnel are working with the Texas Greyhound Association, Texas Racing Commission and greyhound adoption groups TxGAP and GALT to ensure all greyhounds are guaranteed a good couch in a good home.

Owners will be contacted as their greyhound is placed in the adoption program, and are encouraged to make a \$75 contribution towards the care of their greyhound. For further information, contact the Texas Greyhound Association at (254) 857-4377 or [txga@texasgreyhoundassociation.com](mailto:txga@texasgreyhoundassociation.com).

Weekly updates will be posted on our website as the adoption program gets underway.
