For Immediate Release

## **GREYHOUND ADOPTION DAYS THIS WEEKEND**

Corpus Christi Greyhound Track announces Adoption Days this weekend, December 15 and 16.

With live racing coming to an end in Corpus Christi at the end of the year, new homes must be found for all greyhounds that are not being relocated to other tracks across the country.

Greyhounds available for adoption will be at the track from Noon until 4:00 pm both Saturday and Sunday.

This weekend's adoption event is being sponsored by Corpus Christi Greyhound Track, the Texas Greyhound Association and the Texas Greyhound Adoption Program.

Greyhounds make wonderful pets. When adopted, they're fully housebroken and kennel-trained. At home they're lovable couch potatoes, wonderful with children and because of their short hair, there is little, if any, shedding.

For more information, call Texas Greyhound Adoption Program at (830) 303-2229 or Corpus Christi Greyhound Track at (361) 289-9333. For website info go to [www.txgap.org](http://www.txgap.org) or [www.corpuschristidogs.com](http://www.corpuschristidogs.com).
