Harlyn Goebel President

I am running for the position of President of the Texas Greyhound Association. My wife, Janna, and I have a 7 year old daughter named Harleigh and a 5 year old son named Hondo. We have been in the greyhound business for eighteen years.

This time in the greyhound business has given me extensive experience in almost every aspect of the greyhound industry. I have been a stud master with experience in frozen breedings. I am a kennel operator, a breeder, raiser and trainer. I have had board dogs, as well as, have had dogs boarded. I have purchased and sold dogs in the NGA's auctions. All of this exposure to the varied elements of the greyhound industry allows me to make the best decisions I can on behalf of all the TGA members.

I have previously served on the National Greyhound Association board for five years and on the Texas Greyhound Association Board for ten years. During this time, I have served on many various committees covering a wide range of the greyhound industries needs. I have been extensively involved in legislation concerning VLTs, racing dates, dog owners rights, greyhound track simulcast agreements and cross-species simulcast agreements. If I am re-elected to the TGA board, I will represent all the TGA members to the best of my ability and as fairly as I can.

Ed Gardner District I

Candidate for TGA BOARD OF DIRECTORS
825 Audra Cir Rhome TX 76078
817-233-5799 healthgard@yahoo.com

Married to Paula for 19 years. Three Sons, Edward III, Thomas, and Michael. Member of TGA since 1984.

Served 4 years in US Navy, lifetime member DAV. Retired from Texas Veterans Land Development Company, presently a partner in an Animal Health Program.

Served on Board of Directors of a 12,000 member organization for 20 years.

Chairman of the Drug Task Force, testing events all over the Country with Dr. C. Morrie Craig. Presently serving as Board member in District 1 for the TGA.

The things that are my main interest in greyhounds is, they are trained and raced in safe and healthy conditions at the farm and at the track.

With the future looking better we need to rebuild our membership rolls.

We all need to help 1 new member get started in 2009. That would DOUBLE our numbers in one year. Lets all get MOTIVATED!

I can be reached on my cell phone anytime.

Everyone should vote.

District II Candidates

2 Vacancies

John Dalton

My name is John Dalton and I am running for one of the District II Representative positions in the upcoming election.

I am 41 years old and have been in the dog business since I was old enough to sit in a whelping box with pups. I grew up on my parents farm in Ireland where we raised and trained our dogs mostly for export to our kennel here in the States.

At 21 I was running my dad's kennel in Wonderland, Mass. and did so until I moved to Texas in 1993 to train for Melvin Katt at the Gulf several years later. I ran my own kennel at Gulf until I built my farm in McDade where I currently live. We hold about 150 dogs, some our own and some we board.

I feel that I could contribute on the TGA Board as I am familiar with the problems we encounter as farmers, kennel operators and trainers. I have been involved with owners' groups, breed organizations, track management and adoption groups over the last fifteen years, with a constant goal of improving our sport and its image, conditions for our dogs and the economics for all of us who make our living in this industry.

Ray Campana

I have been in the outdoor amusement business since graduating High School, co-owning a Ride and Concession company; I have been involved with greyhound racing since 1989 as an owner, breeder and at one time a kennel owner . For the past few years I have been donating my time and energy around the TGA and helping with various projects, also chairing the Election Committee for the last two years.

With many tracks closed in the last few years and some facing uncertainty, I believe our industry must seek solutions from all sources including ourselves, with the possibility of VLT's. I am wanting to work with and for you, so we can help dog racing to grow and all of us with it.

James C. Brymer

I started in the greyhound business in January of 1999 with KB's Greyhound Farm in Thorndale, Texas.

I have worked in every area of a greyhound farm, from schooling and getting the track ready, to cleaning pens and everything in between.

I am proud to have been a part of the start of one of the best stud farms in the country.

I had one goal in mind when I went to work for Kenneth Biehle, to raise my family away from the big city life, as time passed me and my family fell in love with the business. I work hard every day for the passion that drives all of us, **the greyhounds!!!**

I now own and operate my farm in Thorndale, where I board for people in Texas as well as other parts of the country.

If given the opportunity I will work equally as hard to represent the members of District II. If we work together as a collective group of members and officials, we will all benefit from our efforts.

Your friend & fellow member,
James C. Brymer

John Liberatore

District V - Houston TX

My name is John Liberatore and I was born in Framingham, Massachusetts. After graduating from high school, I continued my career at Lowell University with a degree in engineering. In 1978, after working several years as an engineer for the town of Framingham, I pursued my love of animals by attending the “New England Greyhound Institute” in Taunton, Ma. Upon completing the schooling, I went into the hauling business, hauling dogs all over the country. Working in the kennel started with Charlie Scott at Wonderland Dog Track in Revere, Ma. as an assistant trainer, then quickly became trainer. In 1984 I became trainer/manager of *Regall Sports* with owner Sumner Segal, racing such dogs as “Hondo Barbarian”, “Pro’s High Gear”, and “Pro’s Stormer” to name just a few. My Wonderland career also included running *Grey Meadows* kennel running dogs such as “Hound City”, “Solution”, “Quick Sack”, and “Representation”. In 1996, my wife Vanessa and I moved our family, and *Sprint Racing Kennel*, to La Marque, Texas partnering up with L.B. Kasberg. In 2001, *Libby/Kasberg Kennel* became *J. Libby Racing Kennels*, racing at both Gulf Greyhound Park and Birmingham Race Course in Alabama.

J. Libby Racing remained top kennel in Birmingham for the six years racing there, and has run in the top 5 at Gulf Greyhound Park since being there, running such dogs as “Senior Norma”, “Marvelous Angel”, “JnJ Satin Prince”, “Secret Swagger” (Elvis!) and “AZ High Voltage” to name a few.

With my 30+ years in the business...from hauler to assistant trainer to trainer to kennel owner, I feel that the greyhound knowledge that I can bring to the Texas Greyhound Association will be an asset to District 5 and the T.G.A. executive board, as well as the dog owners, breeders, and kennel owners that I will represent. As member of the executive board, I would like to unify the breeders, individual dog owners, and kennel owners by keeping everyone abreast with the happenings of the T.G.A. and the current legislative session. I hope to create a stronger, more informed association... keeping everyone in the “loop” as to what is going on. My door will always be open for ideas, feedback or questions about greyhound racing in Texas and the T.G.A.

Looking Back in 2008

By Diane Whiteley

Like the rest of the country, greyhound racing in Texas faced challenges in 2008.

The year began with the closing of Corpus Christi Greyhound Racetrack after many years of operating. Despite much effort, the TGA and Corpus were unable to reach an agreement on the proposed number of race days in 2008. Corpus wanted to race just 60 days in the middle of the year, and the TGA knew that not enough greyhounds or kennels would be available without matching up with Valley Race Park dates. After many meetings with Corpus and the Texas Racing Commission in 2007, and our attempt to create a circuit with Valley instead of closing, Corpus was not granted race dates in 2008.

When Corpus closed, the TGA was faced with the daunting task of overseeing the relocation of over 400 greyhounds. We worked with the track and the Commission on a disposition policy and over half of the greyhounds were moved to other racetracks or returned to their owners. Over the next 5 months, the TGA operated an adoption center at the Corpus track and organized the placement of 203 greyhounds with adoption groups in Texas and throughout the country. Not one greyhound was left behind and all were accounted for. While this was a costly endeavor, I am particularly pleased that we received very positive newspaper and television coverage on our efforts for the greyhounds.

In April, the TGA was represented at the annual meeting of the Association of Racing Commissioners International which was held in Austin and hosted by the Texas Racing Commission. Greyhound racing was given a prominent role in the proceedings and we were proud to have Pat Dalton give a presentation on the turn-around of Irish greyhound racing they have experienced. Marty Tanner, Pat Dalton and I participated in the Greyhound Committee meeting and made good progress on identifying areas for improvement in greyhound racing, both in Texas and nationally.

Following a national trend, accredited Texas-bred puppies declined from 2,464 in 2007 to 2,081 last year. This steady reduction in breeding over the last several years was evidenced by the decline in the number of greyhounds schooling at the TGA track. A major event during the year was the Board decision to change the lure system at the TGA schooling track and lease its operations. The old lure system was becoming increasingly difficult and expensive to maintain, and the cost of operating the track was hard to justify as the number of greyhounds schooling at the track continued to drop. In June, the track was leased to John Steiner who continues to operate the track for members' schooling.

Despite a lot of damage from Hurricane Ike, Gulf Greyhound Park was only closed for a couple weeks. We give much credit to the management there on keeping all the greyhounds and people safe during some very scary hours.

The TGA was involved in several Working Groups set up by the Commission on the Rules of Racing to identify rules that should be added, modified or deleted. The last rule changes were many years ago and some have not kept pace with the changing racing environment. Proposed rule changes can be followed on the website of the Texas Racing Commission, www.txrc.state.tx.us. The website is also a good source of information on the facts and figures of racing, including transcripts from the Commission meetings. The TGA is always represented at the Commission meetings and any TGA member is welcome to attend.

The Sunset Commission started its work early in the year on the Texas Racing Commission for the 2009 legislative session, and the TGA participated in identifying areas of the law under consideration. The Sunset Commission and its recommendations can be accessed at www.sunset.state.tx.us

Looking Forward in 2009

At this time, a sale of Corpus Christi racetrack is pending Commission approval. We look forward to a re-opening of live racing in 2010 giving us an opportunity to run our Texas-bred greyhounds. We should know its plans sometime in March.

The next several months will be concentrated in Austin. The Texas Legislature is back in session and we will again make every effort for favorable VLT legislation. We will be calling on your support as the session gets underway.

During 2008, the TGA joined Texans for Economic Development (TED), a coalition of the horse and greyhound tracks for legislative efforts. TED has put together a good strategic plan for the 2009 legislative session which you will be hearing about in the very near future.

The Texas Department of Transportation will be widening Interstate 35 by the TGA property in 2010 and we anticipate that it will take a portion of the TGA frontage. We will know more at the end of the summer, but it should leave the TGA office and track intact, as most of the widening of I35 will be on the east side of the interstate.

The TGA will continue to work with the racetracks and the Commission on maintaining a safe racetrack for our greyhounds, which is always a priority.

I would like to thank the TGA Board of Directors for their leadership and support this past year as they have made some difficult decisions in difficult times. Much of what the Board deals with is new territory as the business of racing changes. Decisions made now affect years to come. Three Board members, Gayle McElhinny, James Parker and Rod Neal, are not running for the Board in 2009 and their contributions will be missed. Board activity is time consuming, all-volunteer and not easy.

Committee members are always needed and if you would like to participate, let us know. We need to stick together during these tough times for the good of our industry. I look forward to seeing you at the Annual Membership Meeting on March 14.
